Dear Children,

Now that you have seen and tasted the cheese from Wensleydale (and made up your own minds), I can tell you what I really thought..

I gave Wensleydale my 'Extra-specially good' rating!

I said it was... "crumbly, with a slightly sweet, milky flavour and absolutely mousetastic!"

(It is almost as good as French cheese!)

I wonder if you agree.

Au revoir and happy cheese tasting,

Anatole
